

# BACKYARD EXPLORERS

Wonderful nature activities  
right on your doorstep.

## Rainbow scavenger hunt

SEVERN

TRENT

WONDERFUL ON TAP

# DID YOU KNOW?

A rainbow forms when the sun shines through a rain shower.

There are seven colours in a rainbow, can you find them all on our fun scavenger hunt?

# WHAT YOU'LL NEED

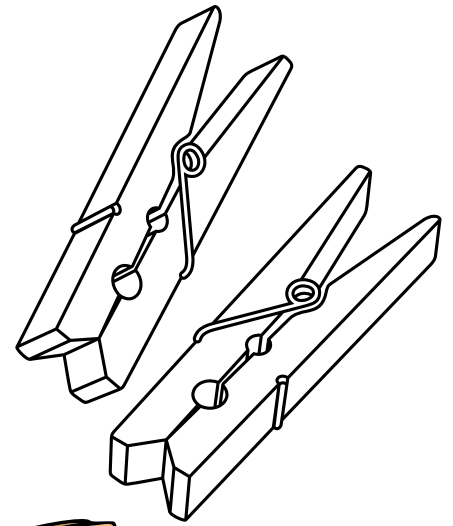

1

Card - why not cut up a cereal box!

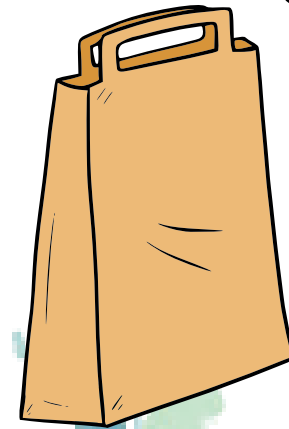

2

Clothes pegs or sellotape

3

Reusable shopping bag

# WHAT TO DO

1

Go on a nature walk.

2

Collect things you find – bark, leaves, flowers, grass and sticks. Put them in your bag.

Let's look after nature and leave live plants and flowers for the insects, instead choose ones that have already fallen to the ground.

# WHAT TO DO

3

Talk about the items you've collected as you unbag them. Look at all the shapes, colours, textures and sizes.

4

Can you find all the colours of the rainbow?

# WHAT TO DO

5

When you see a close match, attach it to your card and create a rainbow.

6

Once you're done, return your items back outside or create a nature collage!

# FIND OUT MORE
